RE: 2017 Preservation Awards

Dear Elan and Lisa,

Thank you very much for participating in the 25th Annual Highland Park Preservation Awards. While the judges were impressed with all of the projects viewed, they did not choose to recognize your entry with a Preservation Award this year.

However, the jurors recognized the work that went into the rehabilitation and how well the design fits in with the landscape. Preserving your Midcentury Modern home instead of demolishing it and building new enriches Highland Park's rich historical fabric and contributes to the City's stock of wonderful homes.

There was unanimous agreement that the result of the architectural improvements are remarkable. The care and investment you have put into your home is evident and Highland Park is fortunate to have homeowners like you investing in your property and being a part of the community. The jurors would like to present you with an Honorable Mention of Architectural Merit certificate at the Preservation Awards ceremony.

The ceremony on **Wednesday, December 13th at 6:30 p.m.** will acknowledge all the homes recognized by this year's Historic Preservation Awards jurors. The Ceremony will be held at the home of Historical Preservation Commissioner Jean Sogin, located at 1092 Wade Street. Other Commissioners, award winners, and members of the preservation community will be in attendance. Light catering will be provided.

We hope you can attend this event. Please RSVP to me at lkosmatka@cityhpil.com. Thank you once again for your participation.

Respectfully,
